

Terms of service

1 Commissioning and services at cost

Applicable to service staff posted to install, commission and maintain systems and to other repairs.

1.1 Hourly rate and per diem

The number of working hours is determined by the duration of our service staff's absence, i.e. the time between their departure from and return to our plant. Rest periods and breaks are not included. Waits are deemed working time.

The per diem is included in the hourly rates.

A per diem of €50.00 is calculated for non-working days within an uninterrupted service assignment. Accommodation expenses are not included in this sum.

1.1.1 Standard hourly rate

The standard hourly rate applies to normal working hours, which are 7am to 5pm on Mondays to Fridays. Based on a 40-hour week, this results in 8 normal working hours per day.

The standard hourly rate applied depends on the following qualifications:

- Mechanic
- Service technician
- Systems engineer / engineer / programmer

1.2 Reductions and extra charges

The standard hourly rate is used as the basis of calculation for the on-site service assignment or the repair at the Wolfratshausen site. It may be subject to reduced and extra charges to determine the valid charged hourly rate.

1.2.1 Reduced hourly rates for travel time (ZAFZ)

1.2.1.1 Reduction for travel time -15 %

Travel time is billed with a 15 % reduction on normal working hours.

1.2.2 Early booking discount and service agreement (ZRFB)

1.2.2.1 Reduction for early bookers -15 %

A reduction of 15 % is granted if a binding order for a technician is made at least two weeks prior to the assignment date.

It relates only to working hours.

1.2.2.2 Reduction for service agreement -15 %

A reduction of 15 % on working hours is granted if a valid service or maintenance agreement is in place.
